## **Mediation/Arbitration Activities**

Since 2005 I have acted as Mediator in numerous mediations in the Province of New Brunswick. Most mediations have been in the field of personal injury and insurance litigation. I have also mediated commercial and property disputes. I routinely get calls from Defense counsel and from Plaintiff counsel to mediate cases.

I have also conducted several arbitrations involving commercial disputes.

As vice Chair of the Discipline Committee I often sit on 3 member panels dealing with complaints against New Brunswick lawyers. These complaints are typically handled in a hearing context so I am used to presiding over hearings involving opposing parties and their counsel.
